85K PROGRAM LAUNCH

How it Looks

You must be working some aspect online for this blueprint

1:1 \$450/month - 10 clients = \$4500/mo x 12 months = \$54,000

VIP Day = \$150/hr x 6 hours = \$900

One VIP day per month = \$900 x 12 = \$10,800

When 1 client doesn't want 1:1 (based on personality & \$\$)

Class online or offline = \$97 with program = 1 a month

goal: 10 people = \$970 x 12 = \$11,640

Group Coaching

Online or Offline

\$97 x 20 people = \$1,940

upsell to 1:1 = 3 people = @ \$50/hr = \$450

upsell to next program = \$187 x 10 people = \$1870

Passive DIY Program or Network Marketing

DIY @\$35 x 5 per month = \$175 x 12 = \$2100

Network Marketing or Products = \$1300
